

# VALENTINE'S DAY 2020 WINE CLUB OFFERING

hope & grace Malbec | Fore Ranch | Oak Knoll District | Napa Valley

Malbec was brought to the new world, ripened in a warmer sun, exuding the vibrant colors and flavors of a variety unbound. This wine is a testament to the optimistic potential of a new pursuit. This single vineyard, single varietal Malbec is the culmination of years of passion in our quest to offer an expressive, gloriously layered and complex wine.

Our Malbec is grown in the Oak Knoll District of Napa Valley, located within the southern end of the valley floor. This appellation has proximity to the San Pablo Bay, resulting in a cooler and more moderate growing region in Napa Valley. Perfect for Malbec, allowing for a long and consistent growing season.
